McDonald's Set To Build Here

By BETSY ROSSEN

Good news for hamburger-lovers: McDonald's is expected to open here next February.

After working out construction differences at a special village board meeting Tuesday, Sept. 21, the restaurant firm hoped to resubmit plans to Antioch by the end of this week. It expects a

perfunctory approval and closing on the property.

Al Loeffler, construction representative for the chain, sees ground-breaking by the first part of November. The scheduled store opening would be 120 days after that.

IN QUESTION AT the meeting were four parking stalls.

"To make money on this store, we must take in \$1 million a year," said Bruce Albinak, McDonald's real estate representative. "I have been instructed not to give up more stalls."

"We'll do anything you want," he continued, "but don't take away our parking stalls. The more stalls, the more internal flow, the less problems."

Albinak said that the dining room would seat approximately 150.

"We're not a drive-in; we want to do this first class."

MAYOR ROBERT WILTON replied, "I don't see where four stalls are critical to the village."

A poll of the trustees was unanimous to approve the stalls.

The store is designed like its Round Lake Beach counterpart. Franchise operator Alex Karis will be in charge of both restaurants.

Loeffler estimated the total cost for the building without land at \$350,000.

Following the McDonald's discussion, the board worked on engineering problems with Antioch Township. In addition, it issued a building permit for a new township building to be constructed on Rt. 173 east of the high school football stadium.

Bernard Osmond Dies Suddenly

Bernard N. Osmond died unexpectedly Sunday at his home on Hillside Ave.

Mr. Osmond, 55, was one of Antioch's best-known residents. He operated Osmond Real Estate and Insurance Agency at routes 59 and 173.

Mr. Osmond, who lived at 976 Hillside, was a past president of the Antioch Chamber of Commerce and Industry. He also had been a member of the village board.

He was born Oct. 17, 1920, the son of Lester and Helen (Naber) Osmond.

Henderson Council of the Knights of Columbus, Bishop Quarter General Assembly of the 4th Degree Knights of Columbus, the Antioch Lions Club, the Antioch Moose Lodge, the Elks Club in Waukegan, and the American Legion Post of Antioch.

Mr. Osmond served as Republican Precinct Committeeman for Precinct No. 1 in Antioch for 25 years.

He served in the United States Marine

Mr. Osmond graduated from the University of Michigan and attended the Northwestern University law school.

He married the former Genevieve Bristol on June 28, 1947, at St. Peter's Church. He was preceded in death by his father, Lester Osmond, on Feb. 5, 1963, and one brother, Lester J. Osmond, on May 23, 1973.

Survivors include his wife, Genevieve; two sons, Timothy of Heights Town, New Jersey and Robert of Antioch; one daughter, Mrs. Mary Ellen (LeRoy) Gardino of Anchorage, Alaska; his mother, Mrs. Helen Osmond of Antioch;

United Way Seeking Volunteers

The Volunteer Service Bureau of the United Way is seeking to place volunteers with social service agencies in Lake County.

It needs to replace students who have returned to school.

Currently the need is for aids at children's day care centers, scout troop leaders, recreation assistants at nursing homes, and clerical workers. Also many other volunteer positions are available.

Persons with "the desire to help others" should call 662-3580.

Bike-A-Thon Here Sunday

A flock of bicycle riders, young and old, will start pedaling from Antioch's fire station Sunday at 8 a.m.

Their goal is to raise money for the American Cancer Society.

The 5th annual Antioch Bike-A-Thon will be held on the seven-mile route outlined in the map included in this story.

Pres Reckers, chairman of the event, said yesterday that entry blanks are available in area schools, at the Antioch village hall, the State Bank of Antioch, the Shoe Box, Four Squires and Antioch Bowling Lanes.

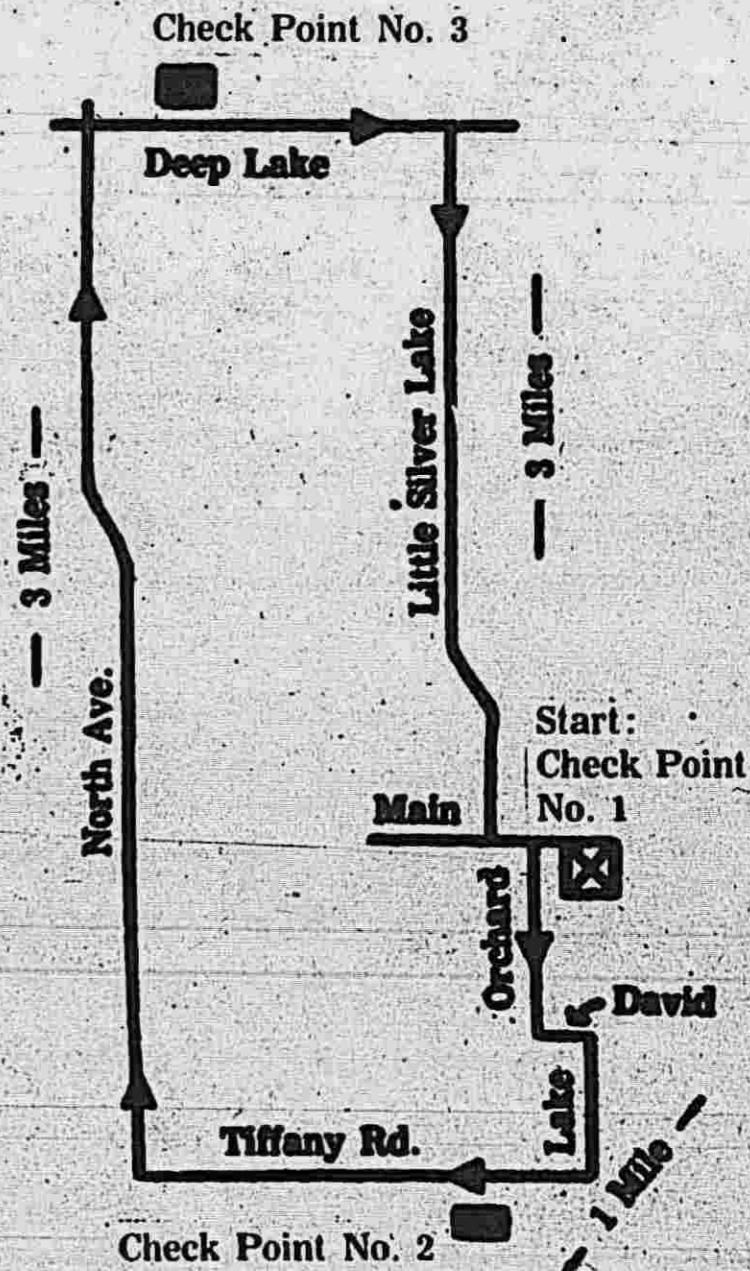

Rain date for the event, covering a total of 14 separate routes in Lake County, is Sunday, Oct. 10.

The seven-mile Antioch route will start at the fire station and proceed west on Orchard St. to David St., then south to Lake St., west to Tiffany Rd., north to North Ave., east to Deep Lake Rd., south to Little Silver Lake Rd. and west to the point of beginning.

The Bike-A-Thon starts only from the first checkpoint at the fire department. Other checkpoints are the Antioch Evangelical Free Church and the Atwood residence on Deep Lake Rd., south of North Ave.

THE MOST POPULAR AUCTIONEER in the area, Herman Behm, helped the Rotary Club of Antioch raise money for its community service projects. The auction was a highlight of last Saturday's Rotary Bar-B-Que and Dance at St. Peter's social center. (More pictures on pages 2 and 8.)

Pedestrian Hit By Car, Now in Intensive Care

A 17-year-old Antioch youth is in the intensive care unit at St. Therese hospital in Waukegan after being seriously injured when struck by a car shortly before noon last Saturday.

Police said Brian J. Tarkowski, Box 306, Broadway, was walking when he was hit by a car driven by Walter J. Skrzypczek, 64, of Spring Grove.

Less than a century ago, automobiles so scared the average person that outlandish laws were suggested to restrict their use. A proposed Pennsylvania ordinance would have required a driver to stop his car every mile, send up a rocket, and wait 10 minutes to make sure the road was clear.

Skrzypczek told police he was driving west on Grass Lake Rd., just west of Bluff Lake Rd., when he came upon Tarkowski walking in the road.

The nursing supervisor at St. Therese said Tuesday that Tarkowski was "awake and alert." She would not elaborate on the extent of his injuries.

Teresi Salesmen Win Trips in U.S. Contest

Four members of the sales team at John Teresi Chevrolet and Oldsmobile have won trips, three of them to foreign lands.

Sales managers Alan Kessie and Ron Silzer have earned trips to Rome, and Travis Young has won a trip to Spain.

Ray Scarpelli said: "Our service manager, Jim Lester, won a trip to San Francisco. He had the highest percentage increase in service sales in General Motors' nation-wide "Go for Gold" contest.

"Also in the service contest, Jim had the lowest amount of customer complaints in the area, and one of the cleanest and best-equipped service departments," Scarpelli added.

Bike-A-Thon Here

Continued from page 1

PARTICIPANTS ARE encouraged to ride the Antioch route as many times as they are able, but no one can pass through "checkpoint one" at the fire department after 2 p.m.

Those wishing to participate should obtain as many sponsors as possible prior to the date of the ride.

PARENTS, TEACHERS, friends, relatives, neighbors, merchants and businesses are good sources and they can be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile and many sponsors in past Bike-A-Thons have paid more per mile.

Riders can carry a small passenger during the ride and sponsors for the little one can also be obtained.

LAST YEAR'S winning Bike-A-Thon riders were: Robert Barnes Jr., first prize with \$516.10; Linda Kelley, second prize with \$252.40; Mark Maglio, third prize with \$142 and Robert J. Wells, fourth prize with \$69.40 in the December report of proceeds.

Four new bicycles will be presented to this year's top riders.

"Real community effort and personal involvement on the part of interested citizens, including members of the fire department, police department and Antioch Jaycees, has made the Antioch Cancer Society Bike-A-Thon increasingly successful each year," said Mr. Reckers.

"Since the ride is scheduled for a Sunday this year, the number of participants could double that of previous rides. We welcome one and all to join us," he said.

The kids have been in classes for a month - now it's Mom and Dad's turn! Upper Grade School principal Bill Herbst tells us that "Back to School" night will start at 7:30 p.m. next Tuesday, Oct. 5, at the school.

This is your chance to tour the school and visit with staff. And we hear they serve refreshments. Yum!

CONGRATS in a big way go to Thomas Adams Jr. Tom was one of the first-place winners in Antioch's Punt, Pass & Kick contest. At the district level in Crystal Lake he took top honors again in the 11-year-olds division. Well done, Tom: we look forward to hearing how you do this Saturday at Grant Park.

It was a first of another sort for 13-year-old Antioch local winner John Schmidt. He encountered some mighty tough competition Saturday, for that was the first time he has lost at the district meet. He's still a great athlete.

A SURPRISE wedding anniversary party was held in Chicago for Molly and George DeBoda. Their 25th anniversary was celebrated ... with surprise the highlight of the evening ... by Molly's offspring, Bill Georgeson of the Antioch's World Famous Village Pub; his sister, Georgia, whom many of us in Antioch know as a super gal, and Molly's four other children: Pete, Carline, Julius and Spiro.

About 250 persons, including Molly's aunt and sisters from California, were there, too.

WE'RE SURE glad to hear that Ken Watson, 11, got his photograph of "Champ" Summers of the Chicago Cubs autographed last week, by "Champ" himself.

SHE'S A HIT! That's what the reviews are saying about Sandra Lindberg of rural Antioch, who has the lead in Illinois State University's production of "The Rivals."

Miss Lindberg, a theatre major who will graduate in three years next spring, plays the part of Julia in the 18th century comedy. Her proud parents, Mr. and Mrs. Carl Lindberg, are eager to see their young star this weekend.

Congratulations, Sandra - we hear you're on the dean's list regularly, too.

Another local gal, Susan Stringer of Lake Villa, is also in the cast. She's the daughter of Mr. and Mrs. Earl Stringer and portrays a character called Mrs. Malaprop..

Glancing at the calendar, we see that next Monday is a big day for David Lipinski. The hugable son of Bob and Rose Lipinski will be celebrating his first birthday.

BIG SMILE and cheery hello were even brighter from Sue Koppa, who stopped by the office Monday. The reason? She and Jim were celebrating their first anniversary.

Happy anniversary to Don and Marge Gaa on the 30th.

One of the biggest sports events of the year will be held in Antioch Wednesday night.

The Antioch firemen will be playing the Lake Villa firemen at the Little League field.

Beverages will be supplied by one of the foremost Liquor stores, either Antioch's or Lindenhurst's ... depending on who loses.

WE HEAR that Hugo Holbek has been named "most improved gun" in his trapshoot league. Les Zitkus and Ron Voss are contesting this title, but Hugo tells us he's a better shot than both of them combined.

Yet, we hate to question the veracity of Les and Ron, because we owe both of them a drink.

Antioch High School continues to grow. The enrollment this year is 1,720. Last year it was 1,648 and two years ago the figure was 1,571.

THE MONTH of September wasn't a total loss. We attended the Lake County Democratic party's golf outing and dinner in Mundelein.

While there, playing with the Antioch Country Club's golf pro, Nick Marucci, we saw how an expert birdies three holes in a row ... the 8th, 9th and 10th.

Watching Nick hit the ball exactly as he wanted to on those three holes reminded us of following Arnold Palmer in his prime.

The Democrats served chicken for dinner, and it was almost as good as the chicken we get here in Antioch at Larry Knight's Kentucky Fried Chicken.

We hope we can believe what State Rep. Dan Pierce said after the dinner:

"Dick Daley is going to run Chicago and Mike Howlett, and nobody else, is going to run the state of Illinois."

We'd like to believe that Howlett isn't Daley's man ... but it's hard to swallow.

Meanwhile, until Howlett acquires credibility, we're still backing Republican Jim Thompson for governor.

DAN WALKER, the lame duck governor, came there to stay in the good graces of the Daley and Howlett gang.

Said Mike:

"Dan, I want to thank you for coming here tonight. It's a hell of a lot better than being against you."

Lions' Candy Days Scheduled Oct. 8-9

Members of the Antioch Lions Club, their wives and families will work hard to raise substantial funds on Friday, Oct. 8 and Saturday, Oct. 9.

They will be "giving away" Lions Candy Rolls in exchange for contributions for their comprehensive program to aid the blind and the visually handicapped.

Bill Barr, chairman of this Lions Club promotion, said:

"Because of the enthusiastic support for this program, Lions Club Candy Day for the blind, has helped to provide free education to thousands of blind persons."

"Leader dog teams have given mobility to blind persons throughout our state, so they may hold a job."

"The Lions have sent 300 visually handicapped children to Illinois Camp Lions, as guests of lions clubs from all over the state."

"And they have set up mobile glaucoma clinics, given eye tests, made gifts of braile writers, typewriters, tape recorders and white canes."

Countless other activities have been sponsored by local Lions clubs to aid the visually handicapped through "Candy Day" receipts.

"All money collected is used for blind aid. There are no club administration costs," Barr said.

Editorial COMMENT

Congressmen Hesitate
To Fight the Press

Our Congressman in Washington, D.C., Republican Robert McClory, made a good point this week.

"The decision of the House Committee on Standards of Official Conduct (The Ethics Committee), refusing to cite former CBS newscaster Daniel Schorr for contempt, is not unexpected. The Congress through timidity or in pursuance of a 'hands-off' policy has traditionally declined to cite newsmen who refuse to reveal their sources of information," McClory said.

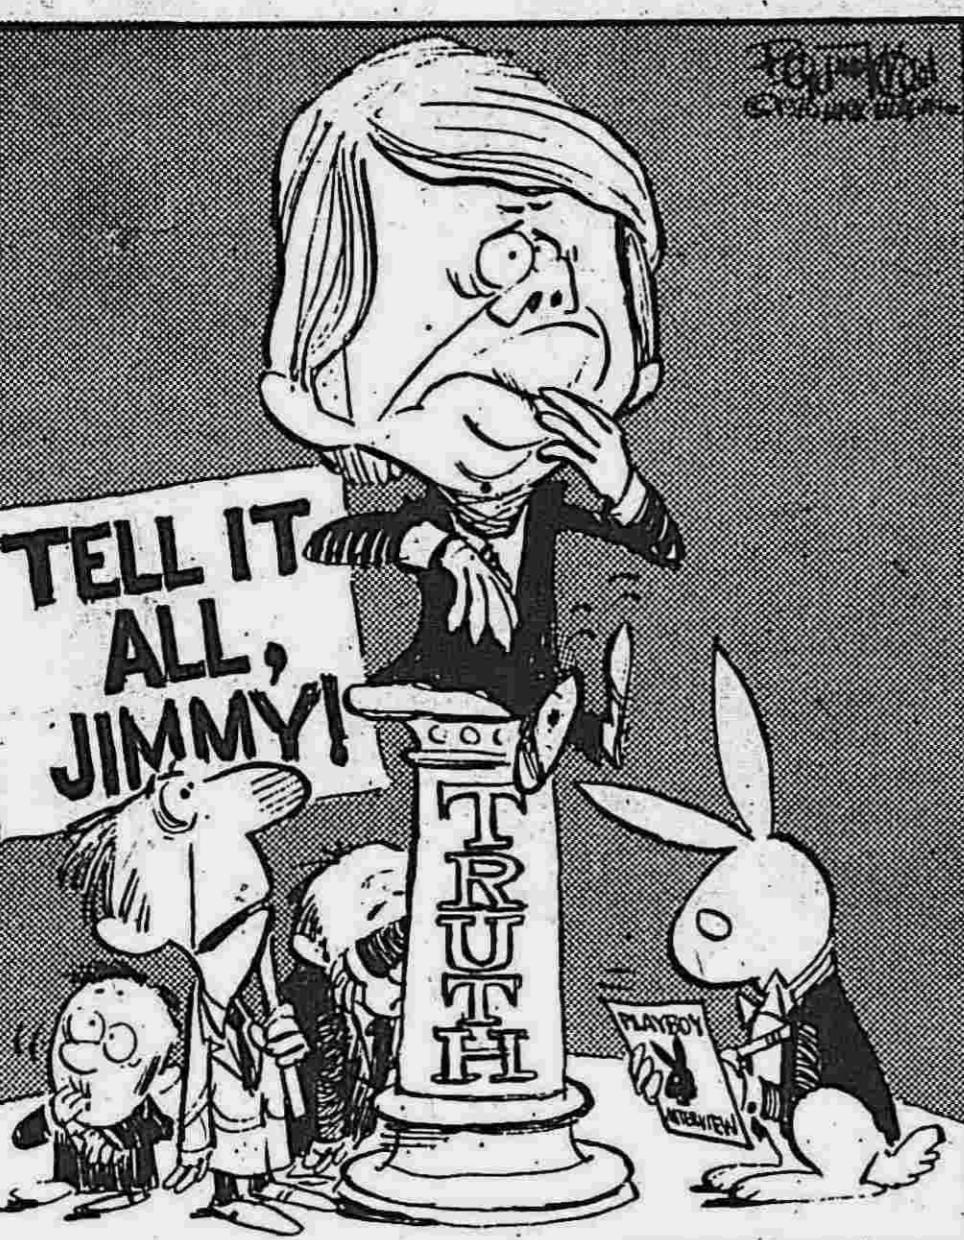

The Daniel Schorr incident varies from earlier confrontations in that Schorr sought to sell the report of the House Select Committee on Intelligence.

DANIEL SCHORR'S DEFENSE has been based on the First Amendment to the Constitution, which grants freedom of the press. While no question involving the right of the press to publish seems to be involved in the recent Committee investigation of the Intelligence Committee leak, it should be recalled that the alleged "newsmen's privilege" to decline to reveal the source of his information was rejected in a case decided by the U.S. Supreme Court in 1972.

Notwithstanding the fragile position asserted by Daniel Schorr, neither the House Ethics Committee nor the House of Representatives seems anxious to do battle with the press.

IN THE SCHORR CASE, it was considered that the newsmen's alleged constitutional privilege to refuse to reveal his source, may be inapplicable since the copy of the unreleased Committee Report was acquired not merely for use by Schorr in CBS newscasts. In addition, he undertook to sell it for publication as a paperback, and failing that, he sold it to the Village Voice, an off-beat New York City tabloid. It is still unclear where the proceeds wound up.

It would seem that if action were brought to recover the report, the result would necessarily be in favor of the U.S. House of Representatives - and such a proceeding would in no way involve any First Amendment questions of freedom of the press.

Arson Is Suspected In Restaurant Fire

The state fire marshall's office is investigating a fire at Guido's Restaurant on Rt. 59, south of Antioch.

Arson is suspected, the Lake County sheriff's department said, because a burlap bag with a strong odor of gasoline or fuel oil was found outside the building.

Police said Joseph V. Guido Jr., 20, and Louis T. Guido, 19, were asleep in upstairs living quarters when they were awakened at 3:35 a.m. last Friday by someone honking a car horn.

The Lake Villa fire department rushed to the scene and kept most of the damage on the outside portion of the building. Police said the fire did work its way into the kitchen area, but no estimate of damage is available.

Police also said that Joseph V. Guido Sr. told them he has no enemies and has had no problems with anyone. They said the property is worth more than \$150,000 but Guido said he had only \$50,000 worth of fire insurance.

Rash of Vandalism In Antioch, Fox Lake

Vandalism is the big story on police reports from here to Fox Lake.

Reports of the rash of crimes since last Thursday include six window-breakings and five tire-puncturings.

In the pre-dawn hours of Thursday, Sept. 23, large plate-glass windows in Lakeside Restaurant, Cornelius Real Estate, King's Drug Store, and Dairy Queen were broken with rocks.

During the same time period, Ray's Shell Service and Wilton Electric reported damage to tires by means of a sharp implement such as an ice pick.

A similar complaint was registered Friday morning by a Main St. resident. Removal of the valve core was said to be the cause of tire damage to additional cars at the service station and a Garys Drive residence.

WINDOWS WERE also broken last week at Al's Citgo Service and a Tiffany Rd. home, the former a rock and the latter by a BB gun.

The village garage was the object of further vandalism. Walt Shepard, superintendent of public works, reported Saturday morning that the lift station cover had been removed.

Trivia

Folklore

In Rumania, caterpillars are said to be the devil's tears. In Medieval Europe, the people believed that all church bells made a pilgrimage to Rome on Good Friday. The people stayed indoors so as not to see them go.

Doughnut

Traditionally, doughnuts were tossed in the air for children to catch on Shrove Tuesday, the day before LENT began. In fact, it's a tradition for Americans, who have been frying doughnuts in deep fat for more than 100 years, to make them on Shrove Tuesday.

Flying Women

According to the Federal Aviation Administration, nearly 30,000 women hold private pilot licenses. About 150 women hold the airline transport pilot certificate, the highest certificate possible, and over 500 women are certified flight instructors.

Golf Balls

The original golf ball was made of leather and stuffed with boiled goose feathers that fell apart in rain. The Rev. Robert A. Patterson invented the gutta percha in 1845. It was made from gutta percha, a latex from trees, and bouncy like rubber. Then came the bouncing billies, in 1899, rubber balls that could bound 25 yards farther than the gutta ball, and which, in time, were refined into the balls used today.

Lake Villa Works On Annexation Plan

By BETSY ROSSEN

Annexation was the main topic before the Lake Villa village board last Wednesday. Twenty-two property owners of 15 parcels of land south of the village petitioned the trustees.

Mayor Ted Nielsen assured representatives that "we are more than willing to work with you. We're aware of the needs of the people of that area."

The board authorized planning commission chairman George Orbank to prepare a plat of annexation and other necessary surveys. The process, which Nielsen estimates to be ready for final board approval in 30 to 60 days, involves at least two annexations.

FIRST, THE village will annex down Cedar Lake Rd. from the southern edge of the village to the property. Second, the property in question on

Cedar Lake and Monaville roads will be added to Lake Villa.

Although the village cannot offer water and sewer services immediately, trustees told the petitioners they would receive police protection and zoning rights.

REZONING WAS approved on four lots owned by John Waldenstrom located one block south of Grand Ave. and west of the Intermediate School. Builder Waldenstrom intends to construct one duplex per lot.

The board also gave the nod for a 15-foot easement for installation of a connecting line to alleviate flooding problems in Oak Knoll Drive and Grand Ave.

A hospital visitor approached the floor nurse. "I came to see my friend Mary Smith. How's she getting along?" "Very well," smiled the nurse. "Ms. Smith is convalescing now." "I see," the visitor nodded. "Well, I'll just wait in the lobby until she's through."

IT'S THE MOST!

The country that could boast the smallest stamps ever issued was the Colombian State of Bolivar. The 10 cents and 1 peso stamps issued between 1863 and 1866 measured 0.31 of an inch by 0.37 of an inch.

The country that posts the largest number of letters is the United States. Last year, a reduced postal staff handled more than half of the world's mail. Legislators concerned about the unemployment rate are fighting to have the Post Office get enough money from the government to keep from reducing its staff even more.

'Pisces' Lead A Difficult Life

By JERRY PFARR

It isn't easy going through life as a Pisces. I was born on Mar. 2, about 38 years ago, and I must face each day after reading my horoscope ... which is really quite discouraging.

Consider, for example, the advice given in today's Antioch News, in the Astro-Analysis, brought to us by John Teresi Chevrolet-Oldsmobile.

It says, in part:

"Get the opinion of an older person." Thirty-eight years as a Pisces seems like 76, and it's hard to find anyone older.

THOSE PEOPLE WHO WRITE the horoscope columns predict nothing but doom and disaster for us Pisceans. They figure we're lost causes.

I just read a horoscope yesterday and, although I know it was all in fun, the author had his tongue in his cheek when he said:

PISCES (Feb. 19 to Mar. 20) - "You have a vivid imagination and often think you are being followed by the CIA or FBI. You have minor influence over your associates and people resent you for flaunting your power. You lack confidence and are generally a coward. Pisces people do terrible things to small animals."

Now, really, that isn't fair. I have been known to swat flies and kill mosquitoes ... but that's about the extent of it.

The horoscope people keep putting us Pisces people down. For example, I just bought a 35c pamphlet the other day which says, in part:

"You sometimes become so involved in your world of fantasy that you find it difficult to adapt to everyday life. You can be restless and indecisive about settling down to a regular routine ... you often are somewhat out of step with the times."

ON THE BRIGHTER SIDE, it says that we Pisceans "are basically poetic and highly sensitive," but suddenly the experts add:

"You are sometimes said to be wishy-washy or indecisive. Learn to separate fact from illusion."

Now, really, I don't have to take those insults from anyone. Nor do you other 8 or 9 percent of my readers who happen to have been born between Feb. 19 and Mar. 20.

The list of famous Pisceans include Peter Fonda, Ralph Nader, Rudolph Nureyev and Buffy Sainte-Marie. (Come to think of it, they aren't above question, either, are they?)

I GUESS WE PISCANS will have to take

DIRECTORS OF SUCCESSFUL EVENT -- The 1976 Chain O'Lakes Fishing Derby was a huge success this year thanks to the work of Margaret Tuck, director, at left. She posed at the banquet with Dick Kehn of Pepsi Cola, Marcy Kengott, contest co-director, and Bud Benson of Pepsi. Other sponsors included the State Bank of Antioch, and the Antioch and Fox Lake Chambers of Commerce.

County Water Pollution Meeting Set Tonight

Environmentalists, public interest groups and citizens from Lake County are being invited to attend tonight's (Wednesday) meeting of the four Lake County drainage basin advisory committees.

They are assisting the Lake County local steering committee in the development of an areawide plan for ending water pollution in northeastern Illinois.

The committees will meet at 7:30 p.m. on the 10th floor of the Courthouse in Waukegan.

The committees, established for the Fox, Des Plaines and North Branch of the Chicago rivers and Lake Michigan, will assist the Lake County local steering committee in identifying water quality problems and in establishing remedial programs.

The steering committee is one of several in the region working with the Northeastern Illinois Planning Commission to develop an areawide clean water plan under the federal water pollution control act amendments of 1972.

The steering committee is responsible for involving local governments and citizens from Lake County in the project and for insuring that problems in the county's waterways are considered in the areawide plan.

She is a recent graduate of the College of Lake County.

David Monke, student council advisor, said that Margaret Bessette will serve as homecoming parade chairman and Brian Kovach, senior class president, will conduct the elections for homecoming queen and also will be in charge of the bonfire.

The homecoming game will be Saturday, Oct. 23, against the Stevenson Patriots. "Spirit Week" will last from Oct. 19 through Oct. 22, with the bonfire and pep rally scheduled at the football field at 7:30 p.m. on Friday, Oct. 22.

Lakehurst Hosts Art Festival This Weekend

Artists from 55 communities in five states are participating in Waukegan's 24th Annual Festival of Art, held for the sixth consecutive year at the Lakehurst Shopping Center, Waukegan Rd. and Rt. 120, Waukegan.

Sponsored by the Lake County Art League, the show runs from 10 a.m. to 5 p.m. Saturday, Oct. 2 and from noon to 5 p.m. Sunday, Oct. 3. This year the show features 100 carefully screened artists who display and sell their works. Among their styles of art and media represented are: oil, water color, sculpture, collage, batik, photography and graphics.

During the two-day exhibition several artists are available to do on-the-spot portraits or to take orders for future sittings. Shoppers also can watch a number of the artists at work, including a woodcarver, a sculptor, and several illustrators doing thumb print and pen and ink sketches.

Among the participating artists are Jackie Unmack of Lake Villa and Rosalind Smith of Lindenhurst.

Recreation Programs To Begin

A six-week arts and crafts program will begin next Monday at the Antioch Methodist Church.

Sponsored by the village's parks and recreation committee, the group will meet from 7 to 8:30 p.m. on six Monday evenings, beginning Oct. 4. Youngsters can sign up then.

It is for boys and girls in the 4th through 8th grades and the fee is \$2. Susan Koppa, coordinator, said the program will offer youngsters a chance to learn new crafts, such as tie dye, string art, dough art and macrame.

A "WOMAN'S recreation night" program will begin next Tuesday, Oct. 5. It will offer exercise and activities to tone muscles and, according to Mrs. Koppa, "also to enjoy recreation."

It is for girls and women 16 years of age and older and will be held on 10 Tuesdays at the Upper Grade School, from 7:15 to 9 p.m. The fee is \$2 and persons can register at the first class.

solace from the fact that history has had its truly great ones.

For example, there was:

Gen. George Custer, who fought so nobly (and stupidly) in the Battle of the Little Big Horn ...

And there was Douglas G. "Wrong Way" Corrigan, who in 1938 flew an airplane from Brooklyn to Ireland, when he was trying to get to California.

And who will ever forget Roy Reigels, who ran the wrong way in the Rose Bowl in 1929, chased only by his teammates while the opponents stood there and laughed?

Nor will we ever forget Tom Harrell, the track star, who was leading the field entering the homestretch when the elastic broke on his running trunks. Clutching his pants in one hand and hobbling to the finish, he was passed by an opponent and finished second. But that honorable Piscean explained:

"It may have been a loss for Harrell, but it was a victory for modesty, right?"

INCIDENTALLY, GEORGE WASHINGTON was a Pisces ... crazy George, standing up in that rowboat.

You can always recognize a Pisces ... he's the guy who gets in the wrong line at the supermarket or the drive-up window.

On the other hand, Pisceans are poetic, highly sensitive and artistic.

Betsy Ross was a Pisces.

That's why George Washington screamed at her:

"Red, white and what?"

But there's no sense getting discouraged. I just took a peek at tomorrow's horoscope and the advice for us Pisceans is:

"Unexpected difficulties could develop."

Oh, well, maybe they won't.

County 4-H Show Opens Oct. 9

To mark National 4-H Week Lake County 4-H Clubs will bring their Annual Achievement Show to Lakehurst. Setting for the show is the Central Court of the shopping center at the intersection of Waukegan Rd. and Rt. 120, Waukegan. Hours are from 10 a.m. to 5:30 p.m. Saturday, Oct. 9 and from noon to 5 p.m. Sunday, Oct. 10.

Since this year's national theme is "Room to Grow," the 4-Hers have planned demonstrations, speeches and exhibits emphasizing the role 4-H plays in developing good community leaders. According to Bill Messerschmidt, Lake County Extension advisor, the program also includes displays of arts and crafts, conservation projects and pet care.

Among the highlights of the two-day event are style revues each afternoon. Modeling their home-crafted garments, 4-H members parade the runway in carefully designed and sewn dresses, pantsuits and skirts.

Lake County 4-H headquarters, located in the University of Illinois' Cooperative Extension Service near Grayslake, sponsors a booth with pamphlets and a slide show explaining the functions and activities of 4-H for prospective members and their parents.

Same Number On License Plates?

Michael J. Howlett, secretary of state, has reminded motorists that the deadline for receiving reassignments and requests for 1977 license plates is Thursday.

"The deadline is set by statute," Howlett said. "Illinois law grants everyone the privilege of retaining the same plate number, provided that application is made on or before Sept. 30."

Reassignments and requests must be submitted on the preprinted renewal applications which have been mailed to all registered car and recreational vehicle owners.

Howlett cautioned drivers that 1977 license plates may not be displayed until Dec. 1, 1976, even though they might receive them far in advance of that date.

Display of new plates before Dec. 1 is a violation of the Illinois Vehicle Code, subject to arrest and fine.

Anyone who puts the new plates on their car, and discards the old plates, would either have to purchase 1976 half-year plates, or keep their auto off the street until Dec. 1, to avoid being ticketed.

Legion Urges Citizens To Vote

A nationwide "Get Out the Vote" campaign is being waged by The American Legion this year. Commander Bernie De Vries of Antioch Legion Post No. 748 said:

"The apathy of voters in past presidential election years has been discouraging. We want to stress to the people of America the importance of their individual vote. It's a tough task getting Americans to exercise their right to vote."

He added that, "if Americans would only realize what one vote can mean in an election, it might open their eyes."

He cited 1948 when Harry Truman won the presidential election by carrying two states, California and Ohio, by less than one vote per precinct. The same thing occurred when John F. Kennedy won in 1960 by averaging less than one vote per precinct.

"Post No. 748 will provide all the help and support possible during this election year, to insure a record turnout of voters," De Vries added. "We certainly want it said that the community of Antioch was a leader among cities of similar size in the number of voters who went to the polls this year."

Boy Scouts to Hold Gurnee 'Tent-In'

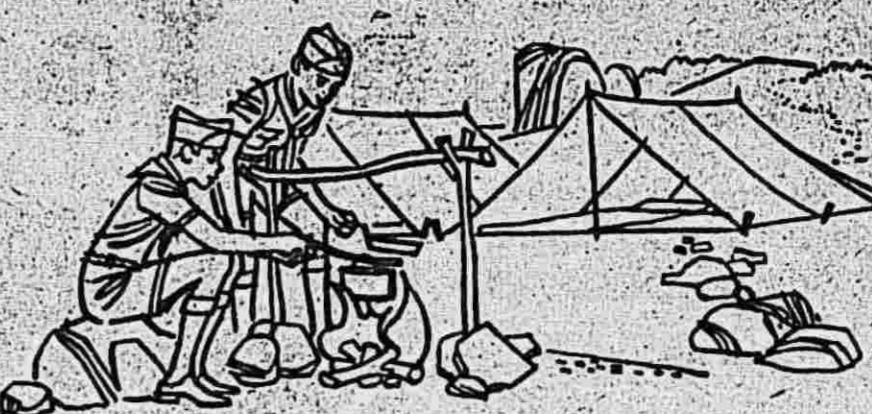

A tent-in on a \$100 million campsite will be staged by the Northeast Illinois Council of the Boy Scouts of America the weekend of Oct. 1-3. Approximately 5,000 individuals are expected to assemble at Heather Ridge in Gurnee.

This special Bicentennial encampment will be the largest scout event ever held in northeast Illinois. With the theme of "Faith in America," it is one of the largest Bicentennial events to be held in the area this year.

Encampment Chairman John F. Dolan of Deerfield, noting that Scouts are coming from 51 communities "from Evanston to Antioch," said that he expected from 6,000 to 10,000 guests to also visit the encampment. Governor Walker and a number of community leaders have been invited to the special shows on Saturday.

On Saturday, the traditional activities that have been part of their camping since the Scouts were formed in 1910 will be demonstrated for visitors. Special events will include parachute and helicopter drills by units of the regular armed forces.

The Colonial Color Guard and the army band from Fort Sheridan will also take part in the program as will a 40-member vocal group from

Michigan, Sing Out Kalamazoo.

Ecumenical services and an awards ceremony will be part of Sunday's closing activities. Dolan said that each Scout in attendance will receive a special Bicentennial-Heather Ridge badge.

To reach Heather Ridge, take Belvidere Road (Rt. 120) west. A special temporary entrance to the campsite has been built just west of the intersection with Rt. 21. The regular entrance to Heather Ridge is just north of the intersection.

Sequoits Aim To Beat Cary-Grove

Antioch Impressive Despite Losing 22-7

Seldom has a losing football team received so much praise.

After last Friday's 22-7 loss at Warren, Antioch's Sequoits were showered with pats on the back.

A Warren coach said:

"Wally Wallraf is a fine runner and Antioch is a tough, hard-hitting football team. Guard Bob Ducato was making tackles all over the field. Antioch is the best 0-3 football team in the league."

Sports writer Dan Loblaw of the Waukegan News-Sun said:

"The defeat was the third in a row for Sequoits and virtually ended their title hopes, but Coach Roy Nelson's team certainly didn't play like a winless team and had nothing to be ashamed of."

WELL, THIS SATURDAY, the Sequoits get a chance to turn things around. All they have to do is beat the Cary-Grove Trojans in their 2 p.m. game on the Antioch field.

The same Warren Blue Devils who beat Antioch 22-7 defeated Cary-Grove 32-7 in a season opener. Cary-Grove looked a lot tougher last Saturday, however, when it lost by only 14-6 to Waubonka.

Greg Johnson scored Cary's touchdown on a nine-yard run and he will be one of the ball-carriers Antioch must stop on Saturday.

CARY, MEANWHILE, has to cope with Wallraf, who cracked through Warren's defense for 89 yards in 13 tries last week.

In three games, the 5-9, 161-pound senior has carried the ball 38 times and gained 266 yards ... a neat average of 6 1/2 yards per blast.

Kenn Rosenbrook, an up-and-coming junior, was Antioch's other effective ball-carrier at Warren, picking up 35 yards in nine tries. The 5-9, 167-pound Rosenbrook also returned two kickoffs for 34 yards.

ANTIOCH LOST to Warren mainly because of three fumbles. Warren turned each of them into a touchdown.

All of the fumbles happened between Antioch's 38 yard line and midfield, making Warren's chances not too difficult.

Warren led 6-0 at the half, then Antioch went ahead 7-6 in the third quarter when Wallraf scored on a 26-yard run. Al Moore kicked the extra point.

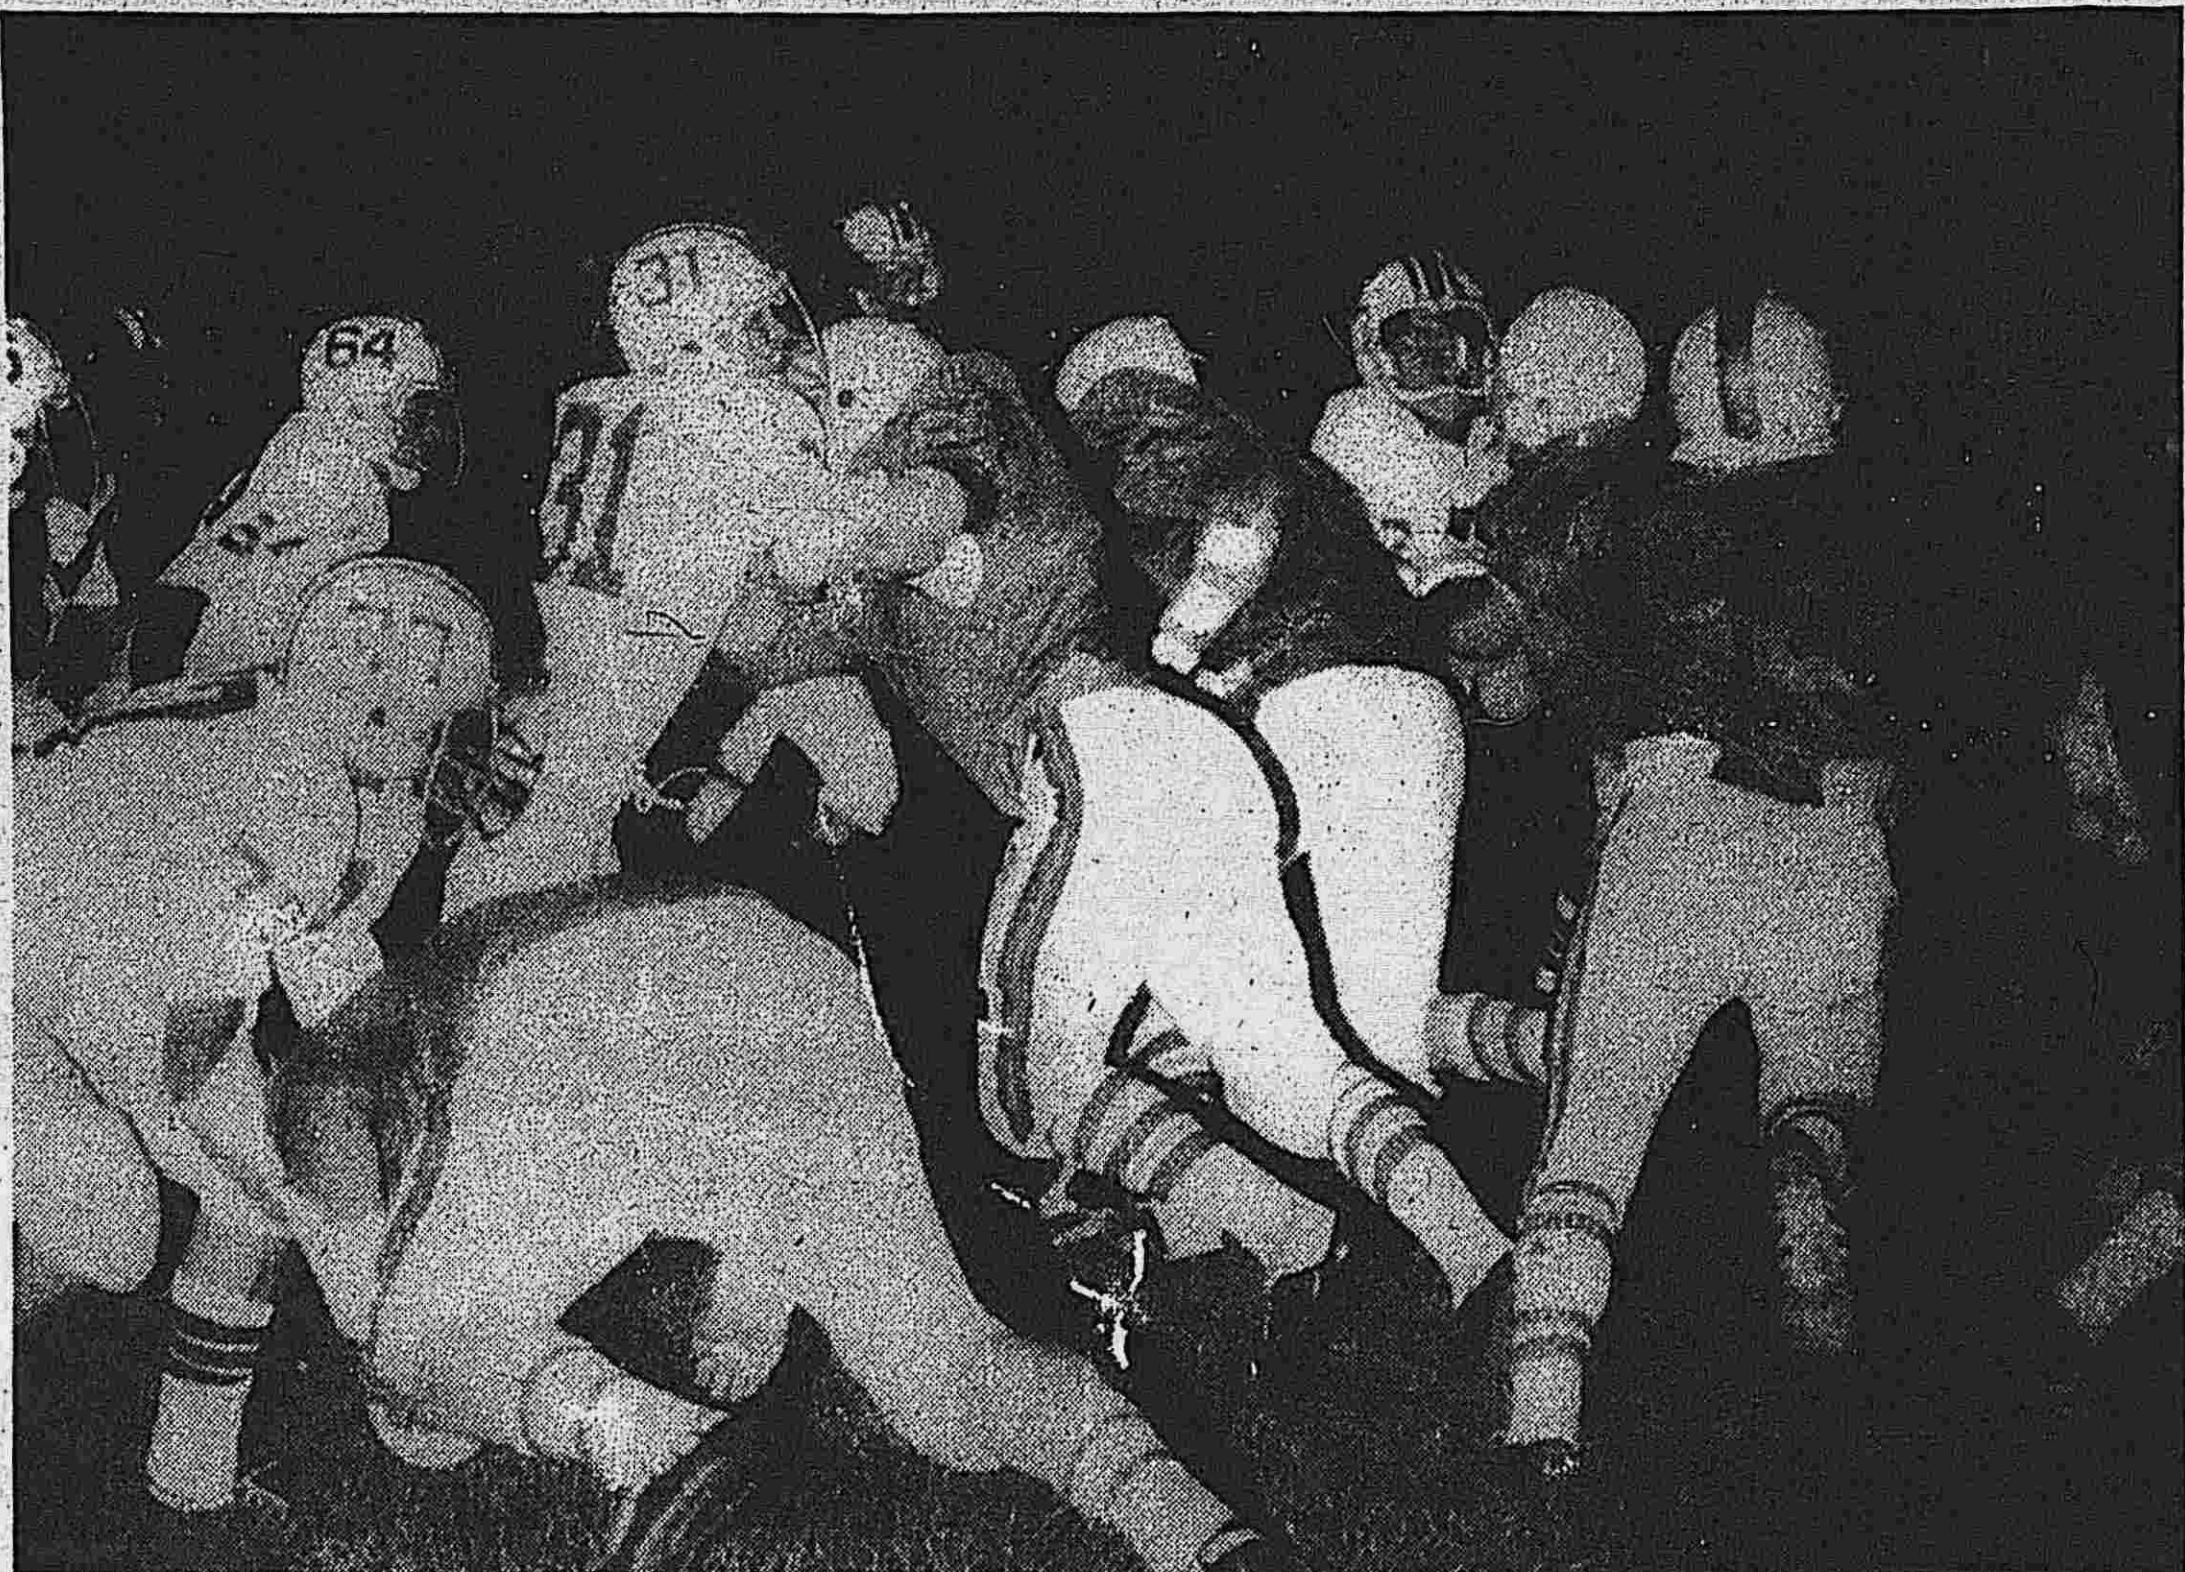

But Warren controlled the ball in the last quarter and put another 16 points on the scoreboard. It was the Blue Devils' third straight win.

Antioch's touchdown was the result of an exciting 65-yard drive early in the second half. After Rosenbrook's 25-yard kickoff return, Wallraf swept end for 29 yards to reach Warren's 33. Rosenbrook rammed for six yards, then Wallraf sprinted 27 for the TD.

Raiders Win 19-6

The Antioch Viking extra point. Raiders scored a 19-6. Coaches said Garry victory over Round Higgins had a good day. Lake's featherweight running with the ball and football team Sunday. that Frank Halvey and

Lester Zitkus scored Matt Dye "were notable two touchdowns for Anti- on defense." och and Pete Kessler ran. The Raiders have a for the other one. John 2-1-1 record and play Silianoff contributed the again Sunday.

CLASHING LIKE WARRIORS on a battlefield were the white-suited Antioch Sequoits and Warren's Blue Devils last Friday night. Antioch

players pictured are Bill Madlehofer (No. 66), Rick Dauck (64), Don Norwick (77) and Todd Teneyck (31).

Soph and Frosh Teams Are Beaten

Antioch High's sophomore and freshman football teams suffered losses to Warren's Blue Devils last week.

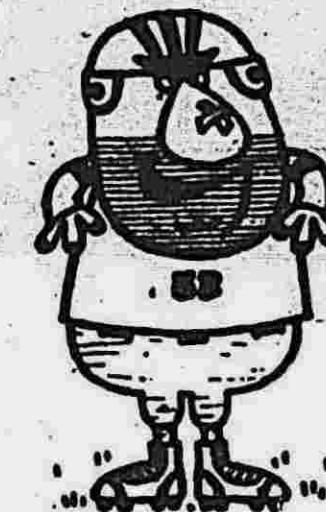

The sophomore team lost a 12-6 decision when Warren broke a 6-6 tie in the final quarter.

Antioch scored in the third period on a 19-yard pass play from Mike Lischewski to Gene Lehn. Warren's touchdown came on explosive plays, a 58-yard run and a 23-yard pass. Antioch's offense gained 182 yards compared to 240 for Warren.

The Sequoit freshmen were routed 30-6; their first defeat of the season.

The Antioch defense had been unscored-upon in its first two games, but couldn't control Warren's offense, which romped to a 16-0 halftime lead. The future Sequoits fought back in the second half with Tim Webb returning the kickoff to midfield. Two plays later, Dennis Flaschner broke through the Warren line and sprinted 33 yards for Antioch's touchdown.

The freshmen travel to Cary-Grove Friday for "A" and "B" games. In last Friday's "B" game, Jeff Andre scored Antioch's only touchdown in a 6-2 win over Warren.

Warriors Defeat Round Lake 21-0

The Antioch Viking warriors football team beat Round Lake 21-0 Sunday.

Early in the game the Warriors showed their strength. Joel Bissing ran 20 yards for a touchdown on a reverse, and Tom Haviland ran the sweep for the extra point.

Dan Berkley blocked a Round Lake punt and John Humphreys recovered the ball.

Dave Hippis later tackled the Round Lake quarterback in the end zone for a safety.

In the second half, David Walsh scored on a short plunge, set up by a 20 yard run by Bissing.

Late in the second half, with a second to go, Haviland ran for a 40 yard TD to end the game. The Warriors defense was outstanding, holding Round Lake in their own end of the field throughout the game, Antioch coaches said.

Next Week or Next Month May be Too Late ...

Get them together now.

Gun Safety Classes To Resume Saturday

By CHARLES P. RAYMAN

Responding to the unexpected amount of interest in its previous classes in safe gun handling, the Northern Illinois Conservation Club will conduct two more courses under the supervision of Henry Kaht, Illinois licensed instructor.

The next classes are scheduled for Saturday, Oct. 2, and Saturday, Oct. 9, from 9 until 1 p.m. each day.

The classes, which are segments of the Doc Jensen Gun Safety Program, are open to all ages, but have special meaning to young people 16 years of age and under. Illinois hunting and gun laws require that this group must undergo at least eight

hours of gun safety training before issuance of a current hunting license, in the absence of a 1975 license having been issued to them.

Classes will be conducted at the club headquarters 2 1/2 miles west of state route 59, just south of route 173. Reservations are suggested and can be made by telephoning Mr. Kaht at 395-1898.

The NICC, besides being active in conservation, is also the scene of the annual Lions Club trap shoot and a continuing program of archery for those interested.

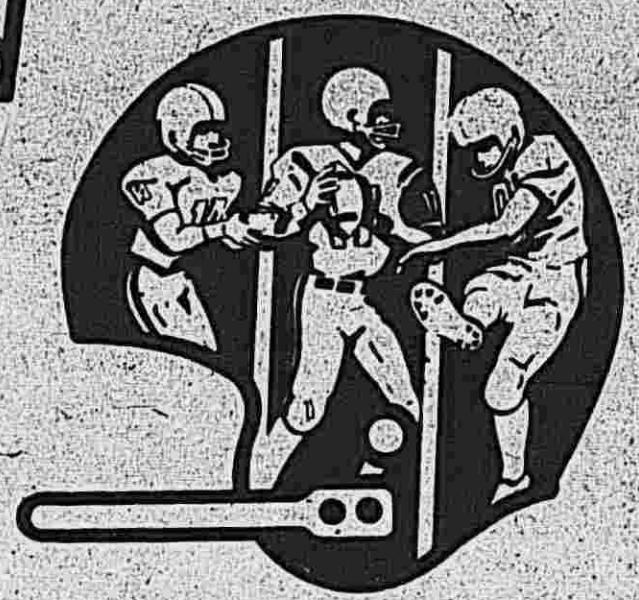

It also sponsors the annual Kettle Moraine exploration for young children, and the annual Easter Egg Hunt.

The recent Johnny Appleseed tree-planting was another timely effort carried on by the club.

Someday you'll look back on today. You'll remember the family all together. And you'll be glad you took the time today to get the family together for a portrait.

Burlington Driver Falls Short

John Baumeister, Burlington, spoiled a clean sweep chance at the Lake Geneva Raceway Saturday night when he finished only second to Fran Baumgartner, Genoa City, in the fast 10-lap heat race.

He had already won the time trial event and came back to win the 25-lap sportsman stock car feature over Baumgartner.

In spectator stock car racing, for the first time this season, "clean sweep" artist Bob Mack, Burlington, was missing. Don Prisk, Whitewater, won the feature race, for 15

laps.

Lady driver, Lynn Behrle, Wonder Lake, took second in the feature and in a 10-lap heat race.

The races ended Saturday night stock car racing at Lake Geneva.

Racing, however, continues on Sunday afternoons with the gates opening at 3 p.m., time trials at 4 and the first race at 5.

Sunday afternoon racing will follow the Sunday morning and Sunday afternoon drag racing action and stay for the oval track stock car races.

THE PUNT, PASS & KICK Contest's third place finishers were: standing in front from left, Daniel Berkley, Steve Mueller, Joseph Weber, Dale Stelskal

and Chuck Clark. Behind them is John Ploss with Joe Hellstern and John Uedell of the sponsoring Ford agency, Lyons-Ryan.

Manzardo 'Sweeps' Wilmot

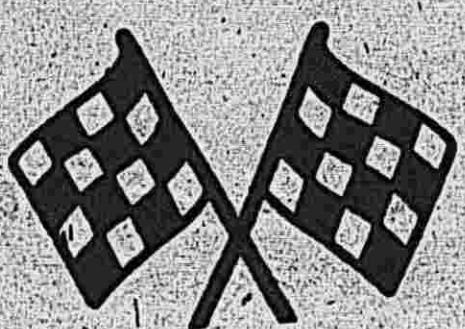

Carmen Manzardo, Lindenhurst, scored the first clean sweep of the season at the Kenosha County Speedway in Wilmot in super-modified stock car racing Saturday night.

The "sweep" came on next to the final night of stock car racing for 1976 at Wilmot.

Manzardo set fast time with an 18.55 second trial lap, won the fast heat race over Darrell Dodd, Waukegan, and then returned to win the 25-lap feature race.

He took the lead on the 14th lap from John Tierney, Lake Villa, who was trying for his first feature race win. Tierney ended up third behind Burlington's Bill Klein.

Manzardo's win may have been aided by the engine failure of second fast-time trialer, Dave Bliss, and by a pair of

accidents that put cars involved at the rear of the field on the restart.

However, his quick drive from last place in the 16-car starting field to 4th place in just three laps, showed his dominance of the field.

Only one race night remains at Wilmot. This Saturday night, special season closing ceremonies are planned.

Rich Wondera, Campbellsport, Wis., won the 10-lap consolation race.

The sportsman stock car group had several visiting drivers and they scored well in the feature race finish. Stanley Hor-

ton, formerly of Antioch, won the 15-lap feature ahead of Jim Boehles. Boehles is his father-in-law, and both are from Hales Corners, Wis.

Joe Greske, Caledonia, won the 12-lap semi-feature and heat wins were scored by Chuck Ostergaard, Bristol, Boehles and Brian Jager, Caledonia.

SPORTSMAN'S CORNER

The muskie, king sport fish of the north, may make a comeback in northern Illinois waters through the efforts of the Illinois Department of Conservation.

An experimental stocking of 500 muskie fingerlings was made last week at Cedar Lake in Lake Villa. If the stocking proves successful, Cedar Lake could be used as a brood source for future muskie stockings, said fishery biologist Gary Erickson.

Biologists picked up the fish at a hatchery in Minnesota. The fish were paid for by Project Illini, a group promoting muskie fishing.

Erickson said he would compare the success of the Cedar Lake muskie and tiger muskie stocked in July in Diamond Lake in Mundelein.

TIGER MUSKIE ARE a cross between the true muskie (muskellunge) and its somewhat smaller cousin, the northern pike, which has proven more suited to survival in northern Illinois' comparatively warm turbid water.

Although the Cedar Lake muskie may be used for hatchery breeding, they are not expected to reproduce in Cedar Lake because of lack of proper spawning habitat.

A size limitation of 30 inches will be observed for both northern pike and muskie in Cedar Lake, Erickson said. It should be around the end of 1977 when the Cedar Lake muskie reach that size.

Muskie are believed to once have inhabited northern Illinois water, but none have been seen since the turn of the century, Erickson said.

FISHING REMAINS fair to good in these parts, according to the state conservation department.

The department said this week that channel cat fishing is best above the dam on the Fox River in McHenry. But crappie are biting minnows on the lower side. Doughbait is working for carp.

At Turner Lake in Spring Grove, bluegill are hitting near piers, while bullhead fishing is best in tall grass. Shore anglers are having better luck than boaters.

Kids Start Season At Antioch Bowl

The youth bowling season at Antioch Bowl is underway. A total of 240 bowlers, ages 8 through 15, are registered. However, substitutes are still needed, so anyone interested should sign up at the bowling lanes.

The major league, ages 16 through 18, is in the process of forming its league. At least 16 bowlers

Anyone interested in joining the league should sign up at the lanes or call Lois Hartman 414-889-4165.

Antioch's Runners Beat 3

Antioch High's cross-country team is running faster and faster, and enjoying increased success.

Coach Ken Kasuboski's runners beat Zion 27-29 last week with Bill Harland, Chuck Paulson and Dan Otten finishing third, fourth and fifth behind the Zion speedsters.

Ed Sankey of Antioch was the deciding factor when he beat Zion's other four runners in the final 50-yard sprint to the finish.

The Sequoits then defeated Grayslake 22-36 and Lake Zurich 19-42 with Otten and Paulson finishing first and second for Antioch.

Otten ran the 2.9 mile course in 15 minutes and 24 seconds. Harland was fifth, Mark Lewis eighth and Mark Biel 10th.

Antioch's frosh-soph team also beat both opponents with Matt Firestone placing first, followed by teammate Jim Gamber.

Hockey Tryouts This Weekend

First tryouts will be conducted this weekend for a local traveling hockey team, the Waukegan Stars, at the Waukegan Twin Skate Arena.

Peewees (11 and 12-year-olds) and bantams (13 and 14-year-olds) will meet at 5 p.m. Saturday, Oct. 2. Mites (7 and 8-year-olds) and squirts (9 and 10-year-olds) will assemble at 9 a.m. Sunday, Oct. 3.

The tryouts are free and participants should bring full hockey gear.

For more information, call 336-0574.

Antioch High's Golfers Shooting Low Scores

Antioch High's golf team improved its record last week to 4-0 in the conference and 5-1 overall.

Coach Mark Guthrie's talented shotmakers defeated Warren 153 to 160 at Brae Loch as Del Gorski carded an even-par 34. Keith Rezin and Bob Sertic shot 39s.

In the junior varsity match, Antioch won by 22 strokes as Dennis Korjenek and John Eder each shot a 36.

Last Thursday the Sequoits defeated Round Lake 154 to 181 at Spring Valley. Rezin paced the varsity with a 36, followed by Pat Houghton with a 37 and Gorski with a 38.

The junior varsity stayed unbeaten in conference play with a school record of 159 for four players. Brad Masopust led with a 38, Chuck Gleason had 39, Korjenek 40 and Eder 42.

Donna Gutowski, 11, Wins \$15 in Football Contest

Wow! Did the entries pour in for last week's Antioch News football contest!

And many of the fans had a pretty good idea of what was going to happen. Warren beat Antioch 22-7.

And Donna Gutowski, 11, of 489 Crest Lane, hit it right on the head. She predicted Warren would win by 15 points.

Donna will receive a \$15 check from Bob's Septic Service and Cement Co.

THERE WAS a four-way tie for second with each person coming within two points. Gary Doolittle and George E. Braddock Jr. predicted Warren would beat Antioch by 13 points, while Dave Gutowski (Donna's 15-year-old brother) and Owen J. Sterba forecast a 17-point victory for Warren.

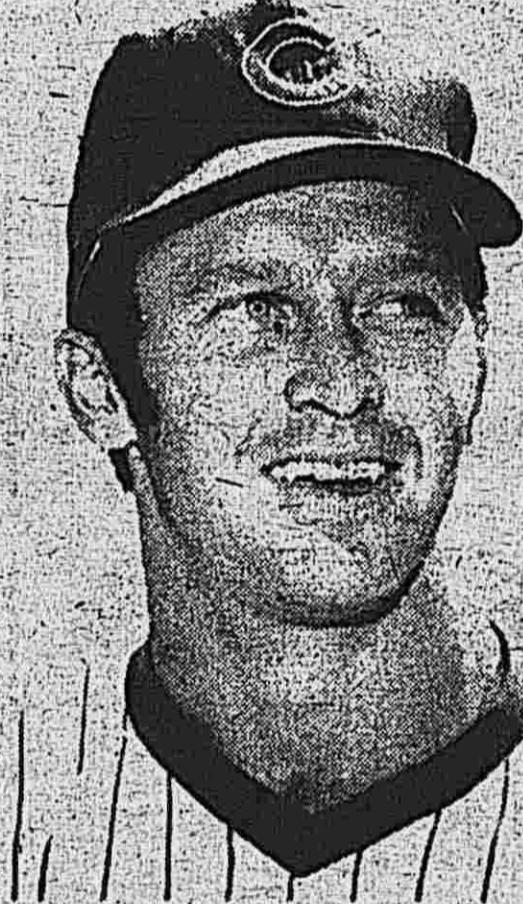

We had to use the tie-breaker. George said Atlanta would beat the Chicago Bears by 13. Atlanta won by 10 and George won second prize, a \$10 gift certificate from Flo's Beauty Shop.

Dave Gutowski was second closest in the tie-breaker, so he will receive a \$5 gift certificate from Bernie's Deli and Beer Depot.

AMONG THOSE WHO came close were three fans who picked Warren to win by 12 points: Shirley Gutowski, Tom Vander Meer and Mary Huebner.

Rodger Kruse, the previous week's winner, picked Warren to win by 30 points. We still owe Rodger \$15 from his earlier victory, and it will be in the mail this week.

Another contest appears on page 17 of today's paper. Be sure to enter before Saturday's 2 p.m. kickoff between Antioch and Cary-Grove.

GLENN BECKERT

RON SANTO

Former Cubs' Stars To Be at Teresi's

Ron Santo and Glenn Beckert of Chicago Cubs baseball fame are coming to Antioch to celebrate the showing of the 1977 Chevrolets and Oldsmobiles.

They will be the guests of John Teresi and Ray Scarpelli on Sunday, from 1 to 4 p.m., at Teresi Chevrolet and Oldsmobile.

The former Chicago Cubs stars are just part of the attraction. There also will be free gifts, refreshments and popcorn throughout the weekend festivities.

Other big attractions, of course, will be the new 1977 automobiles.

The four-day "Gala Premier Showing" begins on Thursday and lasts through Sunday, when Santo and Beckert will be here.

Joy cometh in the morning.

ABC's of Travel

Domestic and
International

By BARB CORBIN

WELCOME TRAVELERS. A word about luggage; it can be a problem on international travel, so be sure and travel light.

You can find yourselves carrying your own

luggage. Porters are often hard to find and in some areas they don't even exist.

There are luggage pushcarts for passengers in most rail stations and airports. The carts are free of charge and for use only in the station or airport. However, if anyone came into Chicago's O'Hare airport on a Friday, or Sunday, you know how impossible it is to get a cart. So do not count on them.

The guest speaker for the event was "Champ" Summers of the Chicago Cubs. Summers related his experiences in professional baseball and answered questions for the boys, some in an amusing style.

MINOR LEAGUE vice-president Tom Haviland presented the Minor League "Champs" award to Ace Mueller's team the Angels; second place awards went to manager Bob Weber and his Astros.

Graduating trophies were presented to all 12-year-olds not on a winning team.

Little League vice-president Milo Bailey introduced Ron Sheedlo and his Giants, who were the champs of the Little League, and his own Tiger team which finished second in the league.

Blanchette made his awards to his champion Antioch Drugs team and Rick Jackson his second place State Bank team. Graduating trophies were also presented to the 15-year-olds in the Babe Ruth league.
